CNY CAT COALITION

Changing the world for homeless & at-risk cats in Central New York—four paws at a time

Looking for homes!

JAKE & MARMALADE

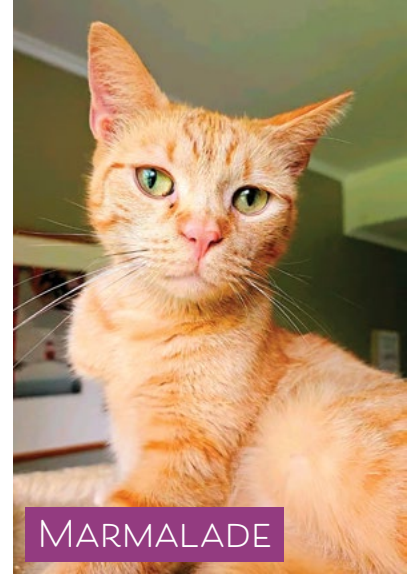

Jake and Marmalade are an adorable pair of bonded adults who are looking for a loving home together.

Jake (7+ years old) is a big tank of a boy who was living around the parking lot of a business in Fulton for at least a year. Finally, the kind business owner decided to save him from a rough life outside. It turned out that Jake was incredibly friendly and loved people! He craves head and back scratches and is very fond of treats (he gained 3 pounds in foster care!). Jake required dental care to pull a number of broken and damaged teeth. Thankfully his surgery was a total success and he now is happily mostly toothless. You wouldn't know it from how fast he can wolf down a plate of wet and dry food though!

Marmalade (3+ years old) was living in same parking lot as Jake and loved following Jake around and trying to snuggle with him. She was rescued just in time because she was very sick with a deadly condition called pyometra—an infection in the uterus that could only be cured with an emergency

spay. Luckily, we were able to get her over to our friends at SANS for the spay and they saved her life. She is a quirky girl who still loves her best friend Jake more than anything! Marmalade is shy with new people but soon warms up and does well being picked up and petted. She is very playful and likes to wrestle with Jake. She has cute little soft meows and likes to chirp when it's food time.

HONORING A BELOVED VOLUNTEER

Our hearts are broken by the passing of Sandy Karl, one of our most dedicated and amazing volunteers. Sandy was one of the “founding mothers” of the CNY Cat Coalition, helping create this incredible organization more than 20 years ago. She personally rescued and fostered hundreds of cats and volunteered in many capacities during her decades with the organization. Several years ago, she relocated to be closer to her family in Seattle, but never stopped helping cats right here in CNY. From across the country, Sandy continued to manage the scheduling for our low-cost spay and neuter program. Over the last 10 years, she was responsible for helping thousands of cats from low-income households get fixed. Her background as a social worker, dedication to individuals at a disadvantage, and love of cats, made her incredibly important to our mission to help reduce cat overpopulation in Central New York. She is terribly missed by all who had the pleasure of volunteering alongside her. Thank you to everyone who has donated in Sandy's memory!

IS YOUR CAT PROTECTED IF IT GETS LOST?

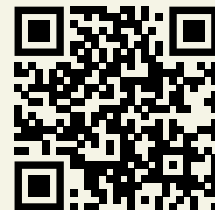

Did you adopt a microchipped cat or have your cat chipped at a vet or clinic? Have you made an account with the microchip company and filled out your contact information? If not, your cat is at risk! In the past few months, multiple lost cats have come into foster care who had microchips—but the owners never registered the chip and we weren't able to find them through available records.

Don't delay! Find your cat's microchip information and register it now!

REGISTER YOUR CNYCC MICROCHIP NOW!

Most CNYCC cats are chipped through 24Petwatch. Your adoption paperwork includes the microchip number and registration website. Chip registration is FREE (you may see paid upgrades, but the basic registration has no cost). To register your cat's 24Petwatch chip:

- › Visit mypethealth.com
- › Click "Create Account from Microchip"
- › Follow instructions to enter your contact details and the cat's microchip number and description
- › Your cat is now registered for life!

PINTS & PURRS

On June 22, we were thrilled to have so many supporters turn out to our fundraiser at WT Brews in Baldwinsville! Our four foster kittens, Legolas, Gandalf, Paul, and Pringle (all now adopted), were very popular and did their best to encourage everyone to adopt another fur baby! A big thank you goes out to WT Brews for being such wonderful hosts, our raffle basket donors, and everyone who helped us raise nearly \$3,000 to support our mission!
